

**CITY OF BREA  
MEMBER OF THE CITY COUNCIL**

**PATRICK “PAT” MANNION**

**AGE: 47**

**OCCUPATION:** Systems Manager

I am running for City Council because I truly love the City of Brea. I became involved when redevelopment threatened to drastically change South Brea Blvd and the surrounding neighborhoods. At that time, Special Interests appeared to take precedence over residents concerns as demonstrated when four of our council members ignored residents and approved a Special Zoning Variance for CIM to build a three-story apartment building at the corner of Brea and Elm.

Our money seems wasted on blue downtown intersections, educational PR campaigns, redevelopment without concern for Breans, and an unwillingness to consider or support options for landfill expansion.

If you don't like what has been going on or are disgusted with frivolous use of your tax money for unnecessary expenditures. Check incumbents' records. As a resident of Brea for 23 years, I will listen to residents' and act to restore your trust in city government along with a sense of Good old Brea. With no ties to Special Interests, I will represent all Breans from Olinda to North Hills and La Valencia to So. Brea Blvd. After 8 years, it's time for a change.
